We have a cabin at Camp Woodland. There is no need to use tents for this campout
There probably won't be enough snow to make igloos or quinzees, so we'll probably spend both nights in the cabin
Weather permitting we'll go sledding and cross country skiing.
If there is no snow other outside activities are being planned
We may work on some map and compass courses, bring a compass.
Bring warm boots for either (or both) snow and/or mud. If there is no snow, there will be mud
Also, bring a pair of sneakers to wear in the cabin
Be sure to bring extra gloves and extra socks
Avoid Cotton for cold weather, wool or a synthetic that does not hold moisture is better for winter camping

All members of the Boy Scouts of America are expected to conduct themselves in accordance with the principles set forth in the Scout Oath and Law. Physical violence, hazing, bullying, theft, verbal insults, drugs and alcohol have no place in the Scouting program and may result in the revocation of a Scout's membership in the unit.
